Audience: Facility and Business Partner learners

Product: Otto Group Academy Learning Management System

This guide explains how to register (or receive an invitation), activate your account, sign in, and access your assigned training courses.

Before you start — what you need

Item	Where to get it
Corporate email	Your work email address
Company ID	From the VECTRA participant / invitation list
Stakeholder group	Facility or Business Partner (as listed for your organization)
LMS website URL	https://lms-otto-group.onrender.com

Registration only works if your **Company ID** and **stakeholder group** are on the approved VECTRA participant roster.

Two ways to get an account

You can join in one of two ways:

Path	Description
Path A — Self-registration	You sign up yourself at the Register page
Path B — Invitation email	You receive an email inviting you to activate your account

Both paths end the same way: you receive an **activation email**, set a password, then sign in.

Path A — Self-registration

Step 1 — Open the registration page

1. Go to <https://lms-otto-group.onrender.com>.
2. Click **Register here** (from the sign-in page), or open:
<https://lms-otto-group.onrender.com/register>

Step 2 — Fill in the form

Enter:

1. **Email address** — your corporate email
2. **Full name** — first and last name
3. **Company ID** — from the participant / invitation list
4. **Stakeholder group** — choose one:
 - **Business Partner**, or

- **Facility**

5. **Organizational name** — fills in automatically when your Company ID matches the roster

- If several organizations share the same ID, pick yours from the dropdown

Step 3 — Submit registration

1. Click **Register**.
2. If successful, you will see a confirmation message.
3. Check your email for: **“Activate your Otto Group training account”**.

If registration fails: Your Company ID may not be on the roster, or the email is already registered. Contact your VECTRA training contact for help.

Path B — Invitation email

You may receive an invitation email before you register yourself.

Step 1 — Wait for the invitation email

You will receive an email with subject:

Activate your Otto Group training account

It contains an **Activate your account** link.

- The link is valid for **7 days**.
- If it expires, contact your VECTRA training contact to request a new invitation.

Step 2 — No self-registration needed

You do **not** need to visit the Register page if you received an invitation. Go straight to the activation link in the email.
